4. What do you believe is the biggest challenge facing our Association today?  
I believe the biggest challenge will be getting our members involved again in our monthly luncheons, attending committee meetings and getting back to our community involvement programs.

5. If elected, how would you recommend the association respond to this challenge? (please be as specific as possible)

I would recommend we start with promoting the in person luncheons to start to bring our members together again. With our in person luncheons we will start to connect again and begin to be more involved. We could offer "must be present to win" cash drawings, discounts on 2022 dues. We could have President Mike address the members asking that we all work together to get our Association back to doing the work we had been doing to continue to make our Association an Association of excellence for all members.

If challenged, how will you respond to a member if asked about your personal feelings versus the Association's position?

9. Please describe, in your own words, your perception of the role of the position for which you seek to be elected, and the reasons you feel **you** are best qualified to serve in this position.

I feel the position of Director is to support the President and represent  
the best interest of the members. I feel my past service as President  
and experience on committees over the years provides a good background to  
fulfill the duties of a Director. It is important to have a balance on the Board  
of Directors of experienced Realtors and those who are just coming into  
leadership positions.

serving as a committee member at the National level.
