

Due to growing concerns surrounding the spread and impact of COVID-19 (coronavirus), the PAR Office is taking precautionary action and will close temporarily beginning Friday, March 27, 2020 at 5PM. PAR Staff will work remotely from home to provide continuing support and access to services for our members.

When the foot-traffic to the office was suspended, we published a "How Do I" instructional guide to accessing member services during that time. We've had to tweak the procedures for store and lock box purchases as a result of this closure, however both services will remain available to you. Please refer to the attached "How Do I" document for the updated protocols.

Staff will be checking their voicemail and email during normal business hours to respond to your questions and service requests. Since staff will be working in front of their computers throughout the workday, you can expect to receive a quicker response via email.

The COVID-19 'landscape' changes daily. Our intent is to physically return to the office as soon as it is deemed advisable. Updates will be provided via email, PAR social media outlets, www.pensacolarealtors.org, and www.parmls.com. In the meantime, we will continue to provide the support and services you are accustomed to, just in a slightly different fashion.

We greatly appreciate your patience and understanding as we work through this crisis together.
